

WELCOME AT DE KRAANVOGEL

How wonderful that you are interested in the Dutch/Flemish school in Kampala! De Kraanvogel is an extracurricular school for Dutch-speaking children. We offer high-quality Dutch Language and Culture education (NTC) for children aged 2.5 to 16 years. The teachers are enthusiastic, experienced, and dedicated. They teach around 40-60 children.

Vision

We aim to provide high-quality language and culture education by continually improving in the areas of didactics, organization, and pedagogy, in a way that respects the diversity of our students.

Advantages of 'de Kraanvogel'

- The children stay familiar with the Dutch language and Dutch/Flemish culture.
- Each child receives lessons and is adaptively tested at their own level. The tests are recognized in the Netherlands and Belgium.
- Learning Dutch is fun through interactive lessons.
- The classes are small: 5-10 children.
- It is a great complement to the education at international schools.
- 5 times a year, a fun theme day is organized for all children (and parents), helping us build a close-knit community together.

Class Times and Locations

After school, we offer each class two or three hours of lessons once a week. We do this at various international schools in Kampala. In the 2024-2025 school year, we will teach at Ambrosoli (Bugolobi), Rainbow (Kansanga), ISU (Lubowa), and KCIP (Naguru). In consultation with the director, the most suitable location for your child will be determined.

Parental Contribution

Parents whose employer contributes 50% or more to the school fees pay the full amount. For parents who receive less than a 50% contribution from their employer, a discount arrangement is available. A statement from the employer must be submitted to the treasurer.

For children who start later in the school year, the payment is adjusted and calculated per trimester: 40% of the total price (September to December), 30% from January to March, and 30% from April to June.

Group	Parental Contribution	Parental Contribution with discount (Employer's statement)
Toddlers/ Preschoolers	€ 1.000,00	€ 625,00
Groep 3 – VO	€ 1.500,00	€ 850,00

Theme Days

Five times a year, a theme day is organized on a Saturday. We start the year with an opening celebration and end it with a closing event. In October, there's a theme day centered around Children's Book Week. Additionally, we organize a Sinterklaas celebration and the King's Games. Children from group 5 through secondary school also go on an annual camp together.
